

History Pupil Voice

March 2023

What is history?

History is when we learn about the past and things that happened a long time ago. (Year 2)

History is a satisfying subject where you learn and discover things from the past. (Year 5)

History is when we learn about a long time ago. We learn about past or present (Year 1)

History is when we learned about people used to use. (EIB1)

History is things that have happened in the past and changed things today. It's about the past and mysteries (Year 6)

History is about special things in the past. We learn about the past and different parts of time. (Year 4)

We learn about things like the Stone Age and Rocks (EIB2)

(Year 3)

We have learned about the Great Fire of London in 1666. We also looked at how technology has changed from centuries ago. (Year 2)

We've learned about the Romans and Anglo-Saxons. The Anglo-Saxons were invited over because the pict and Scots were invading so the English needed help. They were promised land in Kent. (Year 4)

We learned about when we were older and young. (EIB1)

What have you learnt about in your history lessons so far this year ?

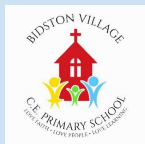

We have been learning about Ancient Greeks and Benin so far. We have looked at Benin and their bronzes and how English people in the 1800's thought that they couldn't possibly have made such beautiful things. (Year 5)

(Year 3)

We have learned about the past and the present and Neil Armstrong. He went to space in a rocket and walked on the moon! (Year 1)

We have learned about Victorian school and Bidston Village. We go to the big timeline to help us (EIB2)

We have learned about the Greek Hoplite soldiers and their armour and weapons and have studied the Battle of Marathon. We are learning about the Crimean War and Florence Nightingale who was a nurse and changed the job for the better.(Year 6)

Do you like learning about history in school and why?

Yes, I like learning about the things from before.
(EIB1)

I like that each year it's in the past and we can go back in time. I like it because I want to know about the ancient days and when Saturn was discovered
(Year 2)

I like it because it is interesting and and I have lots of curiosity about it. It teaches us lots of things about different people. I love the gory side of history!
(Year 4)

(Year 3)

Yes because we learned about the Queen when she died.
(Year 1)

Yes because we learn about stuff (EIB2)

Yes , I love it because of the mysteries and I get to share facts to the class. I love to learn how people acted then and compare to how people act today.
(Year 6)

Yes I do! I really love learning about Ancient Greeks because I find it fascinating that we copy them to this day. They left us legacies.
(Year 5)

**Do you think
history is
important ?**

Yes so we know about
the past or present
(Year 1)

Yes because we learn
about things that
happened before us.
(Year 2)

Yes, very much. If people
hadn't done what they did
before then we wouldn't
have some of the things we
have today (Year 5)

Yes because without it the
future would change
constantly and you get to
argue on what happened
(Year 6)

Yes, so that people know
what's been many
generations before them.
(Year 4)

Yes it is. (E1B2)

(Year 3)

What did you learn last year in history ?

(Year 2)

We learned about a long time ago and we learned about different vehicles.
(Year 1 & EIB 1)

We have learned about the Stone Age, Bronze Age, Iron Age and Anglo-Saxons (Year 5)

Last year, we learnt about Benin and the war they had with Britain, We also learned about the Ancient Greeks, their Gods, beliefs and foods.
(Year 6)

We learned about Stone Age, Bronze Age, Iron Age and The Egyptians (Year 4)

I'm not sure but we have learned about the bronze age, stone age and iron age and look at bonfire night (EIB2)

(Year 3)

We use our brains and know more. (Year 1 & EIB 1)

We know we're getting better because we can see we are getting ticks. If we get a dot we know we have to go back and look at it. (Year 2)

I store it in my brain and know more facts. I get more ticks in my books and my teacher starts the lesson with a repeat and recap. (Year 5)

How do you know you are making progress in history ?

You are more confident and you don't struggle as much. We ask more questions and gain more. (Year 6)

We know more facts. We complete a chart of what we know before and what we know now. My teacher makes flash cards to test on each other. (Year 4)

I'm not sure but we get ticks.(EIB2)

(Year 3)
