

## Ideas of story books to read at home

This a suggestion of further ideas of books that we think your child might enjoy as they journey through Key Stage 1.

This is not a prescriptive list for each year group as some children will enjoy the stories at many different ages.

Some of these could be read by your children so that they can have a good at applying their phonics to 'normal' books – ones that are written for the purpose of phonics.

They can and should also listen to these stories, adults modelling as the story telling is a really important part of reading. These books will also widen the children's exposure to rich vocabulary that they can magpie for their own writing.

Remember it really doesn't matter if a child reads / listens to a book again and again, children gain more from doing this that you might think.

## Reception
