---

Dear Parents and Carers,

As a part of your child's education at Bidston Village C.E. Primary School, we promote personal wellbeing and development through a comprehensive Relationships, Personal, Health, Social (RPHSE) education programme. RPSHE education is the curriculum subject that gives children the knowledge, understanding, attitudes and practical skills to live safe, healthy, productive lives and meet their full potential.

I am writing to let you know that, over the next 6 weeks, starting 14<sup>th</sup> June, your child's class will be taking part in lessons, which will focus on the relationships and sex education (RSE) aspect of this programme. Lessons in each year will include pupils learning about biological body names, change and growth: Healthy relationships, including friendships; families; growing and changing, including puberty; personal hygiene; changing feelings; becoming more independent; keeping safe; developing self-esteem and confidence. Pupils will also have opportunities to ask questions.

RPSHE education is taught throughout the school in every year group and is monitored and reviewed regularly by the staff and governing body. Please see the snapshot sheet (Changing Me column) for more detail about our RPSHE curriculum. All RPSHE teaching takes place in a safe learning environment and is underpinned by our school's Christian ethos and values. We would like to invite you to view the Jigsaw PHSE scheme website <https://www.jigsawpshe> (Community Area) to find out more about what your child will learn, view the materials and resources being used in lessons and discover how you can best support your child to discuss these topics at home.

**Government Guidance:** In primary education from September 2020: Parents will not be able to withdraw their children from any aspect of Relationships Education or Health Education, which includes learning about the changing adolescent body and puberty. Parents will however be able to withdraw their children from any aspects of Sex Education other than those which are part of the science curriculum.

As a school community, we are committed to working in partnership with parents; recent parental feedback has indicated that the overwhelming majority of parents continue to be highly supportive of the relationships and sex education programme. If you would like to find out more or discuss any concerns, please contact your child's teacher.

Yours sincerely,

Mrs K. John.
