BIRKENHEAD SCHOOL

Holiday Activity Weeks

We are delighted to continue our successful partnership with the Kings Active Foundation in 2024. As a charity, they exist to help get children active, having fun and learning together by offering a fantastic holiday experience, here at Birkenhead School, and for children across the Wirral.

There's never been a time when children being active has been so important. The Kings Active Foundation are committed to bringing out the best in every child through dynamic programmes, the best sporting facilities and coaching teams that are passionate about sport and active games. The aim is to provide children with a fantastic holiday experience and continuing feedback indicates this is achieved.

KINGS CAMPS

ALL TOGETHER ACTIVE

For 5-17 year olds

Kings Camps are running week-long programmes for 5-17 year olds during the peak holiday periods. The weeks look to bring out the best in every child through dynamic programmes, the best sporting facilities and coaching teams that are passionate about sport and active games.

Multi-Active Programme - 5-14 year olds

The weekly timetables are created by experienced Red Tops (the coaches) to ensure children are always busy. Children are grouped by age and participate in sports and active games, including football, basketball, lacrosse, tag games and camouflage. The Multi Active programme provides a fun-packed week for everyone who takes part!

Rookie Academy - 15-17 year olds

For older children, the Rookie Academy provides an opportunity to develop knowledge and practical coaching skills on camp alongside the Red Tops and is ideal for anyone looking to gain sports coaching experience or has an interest in working with children.

Children attending will require a packed lunch/snacks. We ask that these do not include allergens, for example nuts, that might cause health issues for other children.
